CAMBRIDGE HIGH AND LATIN SCHOOL

PROLOGUE

The beginning was a time for fun and frolics. We were young at mind, body, and common sense. The importance of high school could not be realized. But now a four year cycle has passed and these young minds and bodies have reached the age of puberty. No longer do we look upon high school as a burden, but as a stepping stone to a well-formed life.

By JO HAVRANEK and DEB MEEHAN

The Cantab five closed an unbelievable regular season with a record of 19 - 0 to win the Suburban League Title, and is now rated a major threat to the favored Catholic Memorial in the Class A Tech Tourney playoffs.

Although competition in the Suburban League was not as strong as in the past, the Cantabs hold the only two victories over six - time Class A Champion, Somerville.

Cambridge Latin rally tips Somerville, 77-76

By Bob Ryan
Globe Staff

Cambridge Latin shook off a bad start and more than justified the grape-vine talk that it was a potential Class A power with a thrilling 77-76 win over Somerville before a capacity crowd at the War Memorial Auditorium in Cambridge last night.

Gene Walcott, the quick 6-5 center, tossed in a patented corner jumper with four seconds left to cap a great comeback which saw Latin rally from a 16 point deficit with less than a minute to go in the half.

Somerville had played a masterful first half. Bill Endicott continually worked himself free for some of the moves which prompted one basketball magazine to tab him Massachusetts' best player, and his teammates were also on target.

But Latin went to the zon press late in the second period, and clever guard Kevin Clark twice stole

cap a six point spurt, leaving Somerville ahead, 43-33, at intermission.

Walcott had 15 of his 23 points in the second half. Endicott led all scorers with 25.

Unbeaten Cambridge Latin clinched the Suburban League crown, Lowell beat Salem for the first time since joining the Essex County League five years ago and Braintree repeated as Bay State League titlist.

These were among last night's top items on the school-boy basketball agenda.

Using everyone it had in uniform, Cambridge Latin ran its record to 18-0 and became the first Suburban entry to reach the century mark this season as it drubbed Newton South, 112-53. Latin's triumph was fairly evident after eight minutes. It was 24-4 at this point. The Cantabs, a co-titlist in 1967-68, are now 15-0 in Suburban activity and have won 20 straight in league play over two years.

DEDICATION

MISS FLORENCE DAVEY
Head of the English Department

We, the Class of 1970, dedicate our yearbook to Miss Florence B. Davey, the driving force behind the C.H.L.S. English Department. After several years of teaching, Miss Davey is leaving her "Office" in retirement.

Miss Davey has given time and effort to our school. She has given us herself; we are sincerely grateful.

SPACEMEN FREE

A rocket ship amid a sea of stars
A man in quest within; for destinies anew
He flies in search of Luna and of Mars.
From earth he soars great wonders to pursue.
An agate, blue and gold behind afleat,
It is the earth in clouds of mist enswirled,
The home he left insearch of realms remote.
Toward God he speeds with faith in Him unfurled.
Yet man in space, a novice, must be sure
To plant his precious earthly seed with care
Lest in barren fields it not mature
To yield the good enriched with knowledge fair.
So we today depart to serve all men
And in new fields our labor to begin.

CLASS HISTORY

It is said that history repeats itself but we truly doubt that anything will equal our four years at C. H. L. S.

FRESHMAN YEAR 1966-67

On September 8, 1966, 670 apprehensive freshman students flowed through the now non-existent green doors of the old Latin Building. After surviving several weeks of bewilderment, orientation, and initiations, we began to enter into the social as well as the academic life of the school.

During September and October, Latin acted as host to the Reperatory of Classical Drama who presented three of Shakespeare's best plays.

Thanksgiving Day brought a come from behind Cantab Victory and we were able to share a little more pride when Bill Kelly, Bill Lyons, and Jim Travers made the Varsity Hockey Team.

As the year drew to a close, our first Spring Concert was the finale, for in June we were finally elevated from our lowly rank of Freshmen to Sophomores.

CLASS HISTORY

SOPHOMORE YEAR 1967-68

Sophomore year brought us joy, excitement, victory, and yet, at the same time, much sorrow. Students started the Fall term with a BANG! As a protest against poor guidance conditions, there was a school-wide cafeteria sit-in.

The Turkey Game left our Cantabs defeated by Rindge and it left each of us defeated by much rain and cold weather. With the help of Sophomores, Gene Walcott, Greg Mihailidis, and Kevin Clark, C.H.L.S. QUALIFIED FOR THE Tech Tourney in basketball and just missed winning the Massachusetts title.

As Spring rapidly approached, we were all shaken by the assassinations of Martin Luther King Jr. and Senator Robert Kennedy. Even the annual Spring Concert was tinged with sadness as it served as a memorium to the former headmaster, John J. Sheehan.

CLASS HISTORY

JUNIOR YEAR 1968-69

Our Junior year was somewhat saddened by the deaths of Miss Katherine Cornell, Senior guidance counselor, Miss Mary O'Conner, retired Biology teacher, and Mr. Thomas Romeo, physics teacher.

Putting aside our sorrows, there was much fun and excitement. After a long hard fight, the band and the cheerleaders finally received new uniforms. Thanksgiving Day brought the fantastic score of 0-0 against Rindge Tech.

In January, the newly formed Afro-American Club, supported by several other club representatives, staged a peaceful sit-in outside Mr. D'Arcy's office to protest a yearbook picture decision. Later on in the month, the basketball team squeezed by Rindge in overtime by a score of 70-69. This victory was doubled in February when the Cantabs again defeated Rindge by the same score. The boys' swim team also brought victory to C.H.L.S. by capturing the Eastern Massachusetts title after completing an undefeated season.

Also in February, three massive snow storms and a week of vacation left us with only seven days of school for the month.

CLASS HISTORY

SENIOR YEAR 1969-70

At last, our senior year had arrived! However, we were forced to go through the year without Mr. Frank Frisoli, who left to become Assistant Superintendent of Schools.

The football team led by our senior star, completed a successful season with five wins and four losses, including a 30-6 victory over Rindge.

The basketball team won the Suburban League title with an undefeated 18-0 season to qualify easily for the Tech Tournament. The Swim Team also was successful, going undefeated for the last three years in a row.

Numerous bomb scares brought the school to take refuge in the Rindge auditorium on many a cold and snowy day during the Winter months.

A school committee ruling that allowed girls to wear pants was passed, to the delight of the girls and to the dismay of the boys. A Black History and a Humanities course were also formed in the name of progress.

As spring rolled along, the minds of the seniors turned to thoughts of the prom and to graduation. Fond memories of our life at CHLS will always be with us.

THE CLASS PROPHECY

Dear Diary, June 1, 1980

It has now been 10 years since we all have left the hallowed halls of C.H.L.S. Michelle Durette and I have just been glancing through some of the recent Boston Globe newspapers, which by the way has just had a new editing staff led by Centanni, Blackwood, and Messier. Looking through the sports pages we seem to see quite a few familiar names. Kevin, "The Spark", Clark, star player of the Boston Celtics, has had quite a winning streak, I see. Other members on the team are Ron Keating, Mike Tickonoff, Greg Mihailidis, Joe Chochrek, and Gene Walcott. I also see that the Bruins are not doing too bad with their new coach, Chickie Reagan. Of course, he's got a great team to help led by Billy Kelly, Steve McCaffrey, and Bill Lyons. The combined men and women's swim team of Boston is also supposed to be on the top. Members of that team are Don Burdette, Jan Potter, Phil Levine, Kevin Doody, Bob Malkashian, Mike Zbinden, Janice Williamson, Linda Mahoney, and Peg Taylor. The football teams are in training, but reading further I see that the Los Angeles Rams have nothing to worry about, because of the fantastic new rookie, George Assad. Other all-stars include Jim Sleeper, John Cavallaro, Walter Lyons, and Gary Neal. Last, but not least, I notice the standings of the Chess team, which just had a win over Arlington of 100-0. Members of that team include Charles Carr, Tony Lopes, and Cahalane.

Steve Sniegiecki, a prominent bird watcher, has written an editorial on "Migrating Habits of Coo-koo Birds," and this has gotten us wondering what our other classmates were doing these days.

With this in mind, we went to the mayor's office to see none other than John Campbell seated in the mayor's chair. From him we learned that out of the class of 1970, only

four had entered political life. They were Pam Caragianes, Dennis Clinton, Beth Corcoran, and believe it or not, Ruby "Tootin" Pierce.

From the office of Mayor Campbell, we went to the Loeb Theatre to see the famed actor, Steve Collins. He was working on a new action-packed thriller, "Who's got the Bomb?" starring Cindy Cohen, Sal Chinappi, Larry Gallant, and Tony Stamitellas.

We were both starving by the time we left the theater so we decided to go for some cheap, semi-good food at Brigham's. Walking in I saw to my surprise, Richie Nunes in the Manager's suit. While sitting, we were served by none other than Debbie Morrison. From her we learned that she isn't sad any more since her friends, Ellen Pridham, Laurie Puzin, and Joan Flaherty are also working there. After that engrossing meal, I didn't feel so good, so I decided to stop at the Cambridge City Hospital and have a check-up. To my surprise, the famous N.Y. doctor, Jeanette Bourne, came in to check me. Not knowing just what exactly was wrong with me she called in some of her associates: Dr. Holzapfol, Dr. Hazlett, Dr. Howard, and Dr. Fine. After diagnosing my case as acute ptomane poisoning, they said I'd have to stay for a few days' observation! Lying in my bed with nothing to do, who walks in but my old buddies, nurses Ferrara, Rocca, and Carrieri. From them I learned that Ann Regal, Susan O'-Rourke, and Chris and Carol Michaud, and Mary O'Connel all have become secretaries with the law firm of Stilla, D'More, & Alberty. We also learned that Caroline Jackson, Paula Camacho, Linda DaSilva, Johathan Schwartz, Jean Graham, and Diane Finstein all joined the teaching profession.

After they left, having nothing else to do, I turned on the radio to the great Cambridge station of WCAS, sponsored by Rupert Ro-

manga's fresh fruit. To my amazement, I heard Maria Barros had her own sports show called "Maria Barros' Sports Show." Her guests that night were Kathie Conway, Debbie Meehan, Joanne Havranek, and Cheryl Winn. While listening, I realized that that night they happened to get on the subject of organized crime. Frank Canina, Mafia's head man, was being tracked for the alleged breaking of a car window. Other thought accomplices were Billy Costa, James Povio and Fred Ickles.

Not finding the program very interesting, I decided to turn on the television to the Ed Chambers Show, formerly the Ed Sullivan Show. His guests that night included the comedy act of Emerson and Ryan, and the famous impressionist, Gerald Mahoney. Almost asleep, who walked in but Paula Kalinoski to cheer me up. From her I learned that she had recently graduated from C.C.A. I also learned that Pat McDermott had married a very rich banker and had just had a set of twins. That'a boy, Pat! When she left, I felt my question had been answered as to whatever happened to the class of 1970.

FOOTBALL

The team of '69 proved to be one of the most determined group of boys Latin has seen in a long time. What they lacked in size and number, they made up in speed and spirit. The team worked hard throughout the season and well deserved their record of five wins and four losses.

Due to an exceptionally hard working coaching staff, led by Head Coach John Noble and his assistants Jim Coady, Joe Collanino, and Tommy Munroe, the team easily adjusted to its new offense.

The offense was led by Captain John Cavallaro and Junior quarterback Keith Barnette. Rounding out the offensive attack were Walter Lyons, Lionel Lee, Tom McCarthy, Jim Sleeper, Laurie Pierce, "Waxy" Johnson, and Paul McElearney.

The defense, although small in stature, was very capable of stopping the opposition. Co-Captain John Campbell took pride in his defensive unit. Dennis Clinton, Fran Canina, George Assad, Gary Neal, Joe Pacelli, and Kevin Clark led an awesome attack which forced many teams into making many mistakes.

The season was climaxed on Thanksgiving Day when Latin crushed arch-rival Rindge by the score of thirty to six.

The football team of 1969 congratulates Captain-elect Keith Barnette and Co-Captains Laurie Pierce and "Waxy" Johnson, and wishes the coming team an equally successful year.

Well, what can we say except that it was win, win, win from that first heart stopping game with northern neighbor Somerville and not ending until the tech. This year, Coach Balfe and Asst. Coach Stead grouped together the most successful Suburban League team winning 19 and losing none.

"The team", composed of center Gene "the Wall" Walcott; guards Kevin "the Spark" Clark and Ronnie "the Capt." Keating; forwards — Greg "the Greek" Mihailidis and Junior Keith Barnette; along with Joe "swish" Chochreck, Richie "tricky dribble" Kelly, and Mike "hot hands" Tickonoff. How could we go wrong. Such superb ball control and play-making will be hard to capture again.

We the Senior ball players would like to wish the '71 basketball team the best of luck for a successful season.

TECH TOURNEY

As we walked into the Boston Garden, nobody was talking about the New Bedford game. Instead, everyone expected us to win easily, and were talking about the Boston English game. The game started and soon the fans were talking about defeat and nothing else. A period later and the score was 13 to 3 in favor of New Bedford. Joe "swish" Chockrek came into the game and "swish" is exactly what he did. Two, three baskets in a row and before you knew what happened the team had come to life. The lead was being cut down rapidly by our number one team. Clark, Keating and Walcott started to move (if you go to this school and you don't know who these guys are, you must have been in a coma for the last four years!!!!) By the end of the half, the team was two points behind a much shocked New Bedford team. We took the lead at the beginning of the third period and never lost it after that. We came out of the Garden with a victory to what the newspapers called a bad night for Cambridge High. Indeed, it was a bad night for the Cantabs, but even a soothsayer would be afraid to foretell the bad events that were to come.

This time when the Cambridge fans came into the Garden, they didn't do too much talking, but more hoping because we were playing Boston English. For those who followed the basketball team through the years and those who didn't, I will make this brief reminder. Boston English was the team that knocked the Cantabs out of contention two years previous to this game. When Latin took the floor it looked as though nobody was going to beat them. They were handling the ball with perfection. One basket after another and at one time had a better than ten point lead over Boston English. And then the part that the soothsayer would not tell. Height started to take its toll on our small but effective team. Rebounds started to fall into the hands of Boston English. The game was a complete opposite of the other game that Latin played a few nights back. Instead of Latin making a fantastic comeback, Boston English made the move, and did they ever move. Time was running out and so was Latin's lead. Soon the Suburban League champs were overtaken and defeated.

Author's Note: The fans left the Garden a little hurt, but grateful that they even had a chance to make it there. We all can be proud of the season's record and accomplishments of the team. No hard feelings could be had, because this wasn't only a great team, but a great bunch of guys. The school and the coaching staff all, I am sure send their appreciation for such a fine year.

HOCKEY TEAM

This year's hockey team finished the season in third place in the Suburban League, with an 8-6-2 record, the best record since 1961. Our team narrowly missed placing in the State Hockey Tournament. The tough competition of Arlington and Brookline set the team back. However, the team was led by the outstanding playing of its talented seniors: Captain Bill Kelly, Billy Crusco, Billy Lyons, Steve McCaffrey, Mike Reagan, and Jim Travers. Bill Kelly, Billy Lyons, and Mike Reagan were named to the "All Stars Team".

We wish the best of luck to the 1970-71 hockey team!

SWIMMING TEAM

The Latin Swimmers ran their undefeated streak to 45 and its third consecutive Greater Boston League Championship. Captains Mike Zbinden, Don Burdette, and Kevin Doody led the team with 89 ¼, 82 ½, and 101 ½ points respectively. Tom Kelleher, Bob Malkasian, and Phil Levine carried the team in distance events. Bob McGowan was among the top divers in the league. Fritz Potter and Kevin Doody swam the sprints. Don Burdette swam the 100 yard butterfly and the first relay, which went undefeated in dual meets. Mike Zbinden swam the 100 yard backstroke and also the first relay. Kevin Yearwood was our loyal manager and also swam the 100 yard breaststroke when needed. Losing this crop of Seniors, will make it hard for the team to repeat as champions next year, but with Mr. Kenney as coach, don't count them out.

In the past, the job of Editor of the "Cantab" was a hard one. Editors would spend months waiting for something "Good to happen."

This year saw a big change. Victories and fulfilled hopes flooded the school as the Senior Class recorded one of the most successful years in Cambridge Latin history.

We would like to thank Mr. Jerome Higgins, Yearbook Advisor; Mr. Walter Conlon, Senior Dean; Mrs. Rita Ritterbush, Art Supervisor and Mrs. Olive Pierce, Photographer.

I would like to thank my ever-ready typists who would willingly leave any class, at any time, on any day.

Finally, in these times when hardships and misfortunes come very easy, I hope that this yearbook will bring back only the fondest memories of good old C. H. L. S.

EPILOGUE

That ever important step into the world will be taken with much carelessness. We are not used to a place where people "crush" one another to move up a step on the ladder of success, where you either move with the times or be left behind to survive on what little there is. This is a big world and is not going to stop growing for us to get a foothold. When we leave C.H.L.S., we are leaving our security. This may sound like a cold ending to such a nice time we had, but the world is a cold place. Always set your goal higher than you are at that present time, always keep the faith, never give up hope, and never be considered a leader of the "rat race" and your life will be one of great satisfaction and enjoyment.
